re-appropriation of funds from one project to another arises, the same is resorted to based strictly on need. The necessity may arise due to:

Some projects moving slowly due to delay in land acquisition, contractual problems, court cases etc., as a result the allotted funds become surplus.

requirement of additional funds for targeted projects.

change in availability of resources.

However, for the present, there is no such contingency foreseen which would necessitate such a re-appropriation.

Catering services on trains
